

**Resolution authorizing General Fund supplemental appropriations for the implementation of the digital information security project. (Data Center)**

**WHEREAS**, Franklin County Data Center is committed to a reliable, robust, and secure network infrastructure in order to provide access to critical information systems and secure the information contained therein; and

**WHEREAS**, in October of 2013, the Data Center contracted with an independent third party to conduct a security assessment of the Franklin County Data Network; and

**WHEREAS**, the contractor recommended that the Data Center implement a network vulnerability scanning system, a perimeter network to expose external web resources to the public while protecting sensitive County information, and a patch management system to protect desktop workstations; and

**WHEREAS**, Data Board Resolution #14-054 was approved on July 7<sup>th</sup>, 2014 authorizing the digital information security project to address these security recommendations; and

**WHEREAS**, supplemental appropriations are necessary to support the digital information security project; now, therefore,

BE IT RESOLVED BY THE BOARD OF COMMISSIONERS, FRANKLIN COUNTY, OHIO;

That supplemental appropriations in the amount of \$214,984 are hereby authorized from the unappropriated cash balance as follows and allocated per the attached document (Journal #51):

	AMOUNT
Data Center/General Fund/Materials and Services Fund 1000	\$170,550
Data Center/General Fund/Capital Outlays Fund 1000	\$44,434
